

CLASS ACTION SETTLEMENT AGREEMENT AND RELEASE

This Class Action Settlement Agreement and Release ("Agreement") is made this 23rd day of January, 2018, between Philip Quow and Clyde Reaves (collectively, "Named Plaintiffs"), on behalf of themselves and the class of current and former employees of Accurate Mechanical Inc. that they represent (collectively, the "Class Members"), and Accurate Mechanical Inc. and Daniel Reilly (collectively, "Accurate" or "Defendants," and collectively with the Named Plaintiffs and the Class Members, "Parties").

WHEREAS, a class & collective action complaint (the "Complaint") entitled *Quow, et al. v. Accurate Mechanical Inc., et al.*, No. 15-CV-9852 (WHP)(JCF) was filed in the United States District Court for the Southern District of New York on December 17, 2015, in which claims were asserted against Defendants under the Fair Labor Standards Act, 29 U.S.C. §§ 201 et seq. ("FLSA") and New York Labor Law ("NYLL"), §§ 650 et seq., and related regulations pursuant to such laws, for the alleged failure to pay overtime wages for all hours worked in excess of forty (40) hours per week;

WHEREAS, John O'Shea was named as a defendant in the Complaint, but the Defendants have satisfied Plaintiffs that John O'Shea is not a proper defendant and Plaintiffs are not pursuing any claims against him;

WHEREAS, the Defendants filed an Answer on April 22, 2016, wherein they denied the material allegations of the Complaint;

WHEREAS, on June 16, 2016, the Court granted Plaintiffs' Motion to Conditionally Certify a Fair Labor Standards Act Collective Action and Authorize Notice to be Issued to All Persons Similarly Situated, and notices were sent to a list of employees disclosed by Defendants;

WHEREAS, the purpose of this Agreement is to settle fully and finally all Released Claims between Plaintiffs and Defendants;

WHEREAS, 16 individuals filed timely consents to join into the FLSA collective action portion of this case pursuant to 29 U.S.C. § 216(b) (the "FLSA Opt-Ins");

WHEREAS, Defendants produced thousands of pages of work and payroll records for the Named Plaintiffs and the Class Members, and Plaintiffs' counsel had the opportunity to review and analyze these documents, and discuss them with Plaintiffs and participate in settlement discussions with Defendants;

WHEREAS, on March 27, 2017, May 15, 2017, and October 3, 2017, the Parties participated in settlement conferences before Magistrate Judge Kathleen L. Parker, who was instrumental to the Parties reaching this Agreement to settle the Action on the terms and conditions set forth herein to avoid the burden, expense, and uncertainty of continuing the Action;

WHEREAS, Plaintiffs' counsel has analyzed and evaluated the merits of the claims made against Defendants in the Action, and the impact of this Agreement on the Named Plaintiffs and members of the class and collective action and, based upon an analysis and evaluation of a number of factors, and recognizing the substantial risks of continued litigation, including the possibility that the Action, if not settled now, might result in a recovery that is less favorable and that might not occur for several years, Plaintiffs' counsel is satisfied that the terms and conditions of this Agreement are fair, reasonable, and adequate and that this Agreement is in the best interest of the Named Plaintiffs and the members of the class and collective action;

WHEREAS, the Parties do not abandon their respective positions on the merits of the Litigation. Nonetheless, the Parties recognize that continued litigation, including any appeals, would be protracted, expensive, uncertain, and contrary to their respective best interests. Accordingly the Parties believe that this Agreement is the most efficient and beneficial method to resolve the claims actually asserted and those that could have been asserted therein;

WHEREAS, this Agreement is intended to, and does, effectuate the full, final and complete resolution of all allegations and claims that were asserted, or could have been asserted, in the Litigation, including any appeals, by Plaintiffs and the Class Members that Plaintiffs seek to represent.

NOW THEREFORE, in consideration of the mutual covenants and promises set forth in this Agreement, as well as the good and valuable consideration provided for herein, the Parties hereto agree to a full and complete settlement of the Action and all of the claims asserted therein by the Named Plaintiffs, FLSA Opt-Ins, and the Class Members, on the following terms and conditions, subject to approval by the Court pursuant to federal law:

- b. At the Fairness Hearing and Motion for Final Approval and Dismissal, the parties will request that the Court, among other things: (1) certify the Class for purposes of the Settlement; (2) approve the settlement and Agreement as fair, reasonable, adequate, and binding on all Class Members who have not timely

- d. In the event that the Court fails to enter a Final Approval Order and Judgment and Litigation continues, (i) the Class, which was certified under Rule 23(b)(3) of the Federal Rules of Civil Procedure and 29 U.S.C. § 216(b) for purposes of settlement, shall be decertified, and Defendants shall retain the right to contest whether this Litigation should be maintained as a class action or collective action and to contest the merits of the claims being asserted in this action and (ii) the Court will provide notice to Class Members that the Agreement did not receive Final Approval and that, as a result, no payments will be made to Class Members under the Agreement. Such notice shall be mailed by the Settlement Administrator via First Class United States Mail, postage prepaid, to the addresses used by the Settlement Administrator in mailing the Notice; and (iii) the Parties will share in equal parts the fees and expenses of the Settlement Administrator.

- b. The Parties expressly understand that if less than all Settlement Class Members submit Claim Forms, the total amount ultimately paid by the Defendants will be less than the Funds Available for Settlement.
- c. In order for Participating Class Members to be eligible to receive payments from the Settlement Amount, they must return their Claim Forms to the Settlement Administrator. Participating Class Members who return valid Claim Forms in a timely manner will be deemed Active Class Members.
- d. - e. If another address is identified for that Active Class Member, the Settlement Administrator will make a second attempt to mail the check (the "Second Check") to that Active Class Member, and will simultaneously advise Class Counsel and counsel for the Defendants of the same. Should the Settlement Administrator be unable to locate a correct address for that Active Class Member, or should the Second Check also remain uncashed 120 days after its mailing, then the Settlement Administrator shall hold those funds (the "Escrowed Funds") in the Qualified Settlement Fund.
- i. An Active Class Member may contact the Settlement Administrator at any time within six years of the Effective Date in order to provide notice to the Administrator of accurate contact information. If the Active Class Member provides such notice, the Settlement Administrator will add the amount of the Escrowed Funds attributable to that Class Member to that Class Member's next scheduled installment payment.

Defendants will have ten (10) days from the date a Breach Notice is emailed to cure the breach (the "Cure Period").
- b. Should Defendants fail to cure the breach within the Cure Period, Defendants shall be deemed to be in Default of their obligations under this Agreement. Defendants' Default shall cause all remaining Settlement Funds owed by Defendants to the Participating Class Members and Class Counsel under this Agreement to become immediately due and payable. Named Plaintiffs, on behalf of the Participating Class Members, shall immediately be entitled to apply for a default judgment before the United States District Court for the Southern District of New York – or any other court of competent jurisdiction – against the Defendants without further notice for the accelerated amount of two (2) times of the Disbursement Amounts, less the amounts already paid, to be secured by a confession of judgment.
- c. Within ten (10) days after the Bar Date, Defendants shall deliver to Class Counsel a fully-executed affidavit of judgment by confession in conformance with New York's C.P.L.R. § 3218(a), a copy of which is attached as Exhibit A. The affidavit shall be held by Class Counsel in escrow until (a) the Settlement Amount is fully paid by Defendants, in which case Class Counsel shall destroy the document or release it back to Defendants' counsel, or (b) Defendants are in Default, in which case Named Plaintiffs, on behalf of the Participating Class Members, are authorized to file the confession of judgment.
- d. Plaintiffs will not unreasonably refuse consent to Defendants' efforts, if any, to refinance the mortgage(s) on the Property. As soon as the Defendants have fully satisfied their payment obligations pursuant to this Agreement, this provision shall immediately become null and void and shall cease to have any force or effect whatsoever.
- e. Defendants shall have the option of either wholly or partially paying off the balance of the disbursement amount owed at any time prior to any scheduled payment due date. Any such prepayment shall not alter the scheduled due dates for subsequent installments.

9. Settlement Amounts Payable as Attorneys' Fees and Costs.

- a. At the Fairness Hearing and Motion for Final Approval, Class Counsel will petition the Court for an award of attorneys' fees of no more than one-third (33.33%) of the Settlement Amount after reimbursement for litigation costs and expenses up to \$1,1170.34, plus reimbursement of actual settlement administration fees paid by Class Counsel (if any), to be paid from the Settlement Amount. Defendants will not oppose Class Counsel's application of up to one-third of the Settlement Amount in attorneys' fees plus costs and expenses up to \$1,1170.34, plus reimbursement of actual settlement administration fees (if any) paid by Class Counsel. Class Counsel will also seek an order approving payment of administration costs not paid by Class Counsel to the Settlement Administrator.
- b. Class Counsel shall be reimbursed for litigation costs and expenses, as well as actual settlement administration fees paid by Class Counsel, out of the initial installment. Attorneys' Fees shall be paid to Class Counsel in installments consistent with the allocation of Settlement Checks to Active Class Members.
- c. The substance of Class Counsel's application for attorneys' fees and costs is to be considered separately from the Court's consideration of the fairness, reasonableness, adequacy, and good faith of the settlement of the Action. The outcome of any proceeding related to Class Counsel's application for attorneys' fees and costs shall not terminate this Agreement or otherwise affect the Court's ruling on the Motion for Final Approval.

10. Service Awards to Named Plaintiffs.

- a. In return for services rendered to the Class Members, at the Fairness Hearing, Named Plaintiffs will apply to the Court to receive no more than \$3,500.00 each as a Service Award from the Settlement Amount. Defendants will not oppose such request.
- b. The Service Awards, if any, will be separate and apart from, and in addition to, other recovery to which the Named Plaintiffs are entitled under other provisions of this Agreement.
- c. The application for Service Awards is to be considered separately from the Court's consideration of the fairness, reasonableness, adequacy, and good faith of the settlement of the Action. The outcome of the Court's ruling on the application for Service Awards will not terminate this Agreement or otherwise affect the Court's ruling on the Motion for Final Approval and Judgment.

11. Allocation to Class Members.

- a. Only Active Class Members shall be entitled to an allocation of payments from the Settlement Amount.
- b. The allocation to Active Class Members for Settlement Checks will be made from the Settlement Amount after deductions for Court-approved Service Awards for the Named Plaintiffs, the portion of Settlement Administrator's fees and costs that are not paid by Defendants, and attorneys' fees and costs for Class Counsel.
- c. The Settlement Administrator shall calculate a "Net Settlement Fund," which shall equal the Total Settlement Amount less the amount of Court-approved Service Awards for the Named Plaintiffs, attorneys' fees and costs approved by the Court, and court-approved administration costs for the Settlement Administrator.
- d. If the amount owed to the Active Class Members, pursuant to the allocation formula described in Paragraph 11(f) below, is greater than the Net Settlement Fund, then the Net Settlement Fund shall be divided pro rata among all Active Class Members according to a confidential allocation using each Class Member's actual alleged damages for unpaid overtime premiums, liquidated damages, and statutory damages for violations of the Wage Theft Prevention Act during the Relevant Time Period, as described in Paragraph 11(f) below.
- e. If the amount owed to the Active Class Members, pursuant to the allocation formula described in Paragraph 11(f) below, is less than the Net Settlement Fund, then the Participating Class Members shall each be entitled to the amounts allocated to them pursuant to that formula.
- f. Total monies owed to each Active Class Member are reflected on the spreadsheet attached to this Settlement Agreement as Exhibit D, and were calculated as follows:
 - i. Each Active Class Member who worked for defendants after July 2013 shall be entitled to overtime damages for that time period equal to one half the amount of money reflected in Defendants' payroll records as "Expense Reimbursement" for their periods of employment for which defendants have payroll records, as well as a like amount for liquidated damages.
 - ii. Each Active Class Member who worked for defendants before July 2013 shall be entitled to estimated overtime damages for that time period equal to the average weekly damages for employees (\$300) multiplied by an estimate of the number of weeks they worked, based on defendants' tax returns.

- iii. An Active Class Member who worked for defendants both before and after July 2013 shall be entitled to damages for each time period pursuant to both paragraphs 11(f) (i) and 11(f)(ii).
- iv. Each Active Class Member shall be entitled to liquidated damages in the amount of 30% of the actual overtime damages calculated pursuant to paragraphs 11(f)(i)-11(f)(iii).
- v. Each Active Class Member shall be entitled to \$1,000 for Wage Theft Prevention Act damages.

g. The amounts owed to each Active Class Member pursuant to the allocation formula described in paragraph 11(f) are reflected

h. Settlement Checks paid to Active Class Members will be allocated that the overtime damages (1/2 of the expense reimbursement amount) to W-2 wage payments to compensate for alleged unpaid wages and the remainder of the settlement will be allocated to 1099 as non-wage alleged liquidated damages. All wage payments to Active Class Members shall be subject to applicable payroll and withholding taxes, and Active Class Members will be provided with appropriate documents reflecting this withholding. Each Active Class Member will be responsible for the payment of any additional local, state, or federal taxes or withholdings resulting from or attributable to the payments received.

i. The Settlement Administrator, as administrator of the Qualified Settlement Fund ("QSF") making such payments, shall report that portion of the respective Settlement Payments treated as wages to the respective Employees and to the United States Internal Revenue Service and to other appropriate taxing authorities ("Taxing Authority" or "Taxing Authorities") on Forms W-2, copies of which forms shall be simultaneously provided to counsel for the Defendants upon issuance. Such portions of the Settlement Payments treated as wages shall be subject to applicable employment taxes and withholding taxes, as determined by the Settlement Administrator as administrator of the QSF making such payments. Defendants shall bear the cost of Employer Payroll Taxes, if any, which share of taxes will not come out of the Total Settlement Amount. In the event that it is subsequently determined by any Taxing Authority that any Employee owes any additional taxes with respect to any money distributed under this Agreement, it is expressly agreed that liability for such taxes rests exclusively with that Employee and that Defendants will not be responsible for the payment of such taxes, including any interest and penalties. The Settlement Administrator, as administrator of the QSF, shall report that portion of the Settlement Payments treated as liquidated damages and interest pursuant to this Paragraph to the respective Employees and Taxing Authorities, to the extent required by law, under the Employees' names and federal taxpayer identification numbers, if any, on Forms 1099, copies of which forms shall be simultaneously provided to

counsel for the Defendants upon issuance, and such payments shall be paid without deductions for taxes and withholdings, except as required by law, as determined by the Settlement Administrator as administrator of the QSF making such payments.

- j. The Settlement Administrator, as administrator of the QSF, shall report to the respective payees and to the Taxing Authorities on a Form 1099 any Service Awards made pursuant to Paragraph 10, copies of which forms shall be simultaneously provided to counsel for the Defendants upon issuance, and such payments shall be paid without deductions for taxes and withholdings, except as required by law, as determined by the Settlement Administrator as administrator of the QSF making such payments.
- k. The Settlement Administrator, as administrator of the QSF, shall report the fees and costs paid to Class Counsel pursuant to Paragraph 9 to Class Counsel (and to the Taxing Authorities) on a Form 1099, copies of which forms shall be simultaneously provided to counsel for the Defendants upon issuance, under Class Counsel's federal taxpayer identification number. Payment of such fees and costs to Class Counsel shall be made without deductions for taxes and withholdings, except as required by law, as determined by the Settlement Administrator as administrator of the QSF making such payments.
- l. The Defendant shall have no liability or responsibility whatsoever for taxes of the QSF, any Class Member, Class Counsel, or any other person or the filing of any tax returns, information reports or other documents with the Internal Revenue Service or any other taxing authority with respect thereto. Employees will be solely responsible for all taxes, interest and penalties owed by the Employees with respect to any payment received pursuant to this Agreement. Employees will indemnify, defend, and hold Defendants and the Settlement Administrator harmless from and against any and all taxes and interest as a result of an Employee's failure to timely pay such taxes. Named Plaintiffs, on behalf of the Class, acknowledge and agree that Defendants have provided no advice as to the taxability of the payments received pursuant to this Agreement.
- m. For tax purposes:
 - i. The Defendants shall be the "transferor" within the meaning of Treasury Regulation § 1.468B-1(d)(1) to the QSF with respect to the amounts transferred;
 - ii. The Settlement Administrator shall be the "administrator" of the QSF within the meaning of Treasury Regulation § 1.468B-2(k)(3), responsible for causing the filing of all tax returns required to be filed by or with respect to the QSF, paying from the QSF any taxes owed by or with respect to the QSF, and complying with any applicable

information reporting or tax withholding requirements imposed by Treasury Regulation § 1.468B-2(1)(2) or any other applicable law on or with respect to the QSF, and in accordance with Paragraph 11 of this Agreement; and

- iii. The Defendants and the Settlement Administrator shall reasonably cooperate in providing any statements or making any elections or filings necessary or required by applicable law for satisfying the requirements for qualification as a QSF, including any relation-back election within the meaning of Treasury Regulation § 1.468B-1(j).

12. General Wage and Hour Release, and Covenant not to Sue

- a. By operation of the entry of the Judgment and Final Approval, and except as to such rights or claims as may be created by this Agreement, each individual Class Member who does not timely opt-out pursuant to this Agreement forever and fully releases Accurate Mechanical Inc., its members, owners, stockholders, predecessors, successors, assigns, agents, directors, officers, employees, representatives, attorneys, parents, subsidiaries, affiliates, benefits plans, plan fiduciaries, and /or administrators, and all persons or entities acting by, through, under or in concert with any of them, and individual Defendant Daniel Reilly, his heirs, family members, representatives, assigns and all persons acting by, through, under or in concert with him (collectively, the "Released Parties"), and individual defendant John O'Shea from any and all claims under the Fair Labor Standards Act, and related regulations, the New York Labor Law, and related regulations, and any other federal, state, or local laws, regulations, or common law relating to failure to pay wages, overtime wages, minimum wages, spread of hours payments, expense reimbursements, liquidated damages, interest, penalties, and attorneys' fees and costs related to such claims for the Relevant Statutory Period.
- b. Except as provided in this Agreement, Class Counsel and Named Plaintiffs, on behalf of the Participating Class Members and each individual Participating Class Member, hereby irrevocably and unconditionally release, acquit, and forever discharge any claim that he, she, or they may have against Defendants for attorneys' fees or costs associated with Class Counsel's representation of the Class Members. Class Counsel further understands and agrees that any fee payments approved by the Court will be the full, final, and complete payment of all attorneys' fees and costs associated with Class Counsel's representation in the Action.
- c. Named Plaintiffs and the Participating Class Members represent and covenant that they will not hereafter file any complaints, charges, or claims against Defendants or any of the Released Parties with any court, administrative or governmental agency or entity based on any action by Accurate or any of the

Released Parties that occurred prior to June 16, 2016 . Named Plaintiffs and the Participating Class Members further represent and covenant that they will not join in any such action brought by another individual. Nothing in this provision shall be construed to prevent Plaintiffs from filing a claim with the EEOC or National Labor Relations Board.

13. Non-Admission

The Parties agree that this Agreement is not and shall not be construed as an admission by any Party of any liability or misconduct. Plaintiffs acknowledge that Defendants deny any wrongdoing, and that Defendants have agreed to the terms of this Agreement with the understanding that this settlement will avoid the further expense and disruption of Defendants' business due to the pendency and expense of litigation. Nothing in this Agreement shall be deemed or used as an admission of liability by Defendants, and the Parties agree that neither this Agreement nor anything contained in it shall be offered as evidence or otherwise used in any judicial or administrative proceeding. This Agreement may be introduced, however, in any proceeding to enforce the Agreement.

14. Publicity; Confidentiality

- a. Class Counsel agrees that it will not issue any press releases, or post any announcements on its website, naming Defendants in relation to this Action.
- b. Named Plaintiffs agree that they will provide notice to Defendants if they are served with any subpoenas for information regarding this Settlement Agreement. Named Plaintiffs further represent that they have not filed any complaints or charges with any government agency concerning the subject of the Action, and that they have no intention at this time to initiate communications with any government agency about the subject of this Action.

15. Interpretation and Enforcement

- a. Cooperation Between the Parties; Further Acts. The parties shall reasonably cooperate with each other and shall use their reasonable best efforts to obtain the Court's approval of this Agreement and all of its terms. Each party, upon the request of any other party, agrees to perform such further acts and to execute and deliver such other documents as are reasonably necessary to carry out the provisions of this Agreement.
- b. No Assignment. Class Counsel and the Named Plaintiffs, on behalf of the individual Participating Class Members, represent and warrant that they have not assigned or transferred, or purported to assign or transfer, to any person or entity, any claim or any portion thereof or interest therein, including, but not limited to, any interest in the Action, or any related action.

- c. Entire Agreement. This Agreement constitutes the entire agreement between the parties with regard to the subject matter contained herein, and all prior and contemporaneous negotiations and understandings between the parties, if any, shall be deemed merged into this Agreement.
- d. Binding Effect. This Agreement shall be binding upon the parties and, with respect to the Named Plaintiffs and all Participating Class Members, their spouses, children, representatives, heirs, administrators, executors, beneficiaries, conservators, attorneys, and assigns.
- e. Arm's Length Transaction; Materiality of Terms. The parties have negotiated all the terms and conditions of this Agreement at arm's length. All terms and conditions of this Agreement in the exact form set forth in this Agreement are material to this Agreement and have been relied upon by the parties in entering into this Agreement, unless otherwise expressly stated.
- f. Captions. The captions or headings of the Sections and Paragraphs of this Agreement have been inserted for convenience of reference only and shall have no effect upon the construction or interpretation of any part of this Agreement.
- g. Construction. The determination of the terms and conditions of this Agreement has been by mutual agreement of the Parties. Each Party participated jointly in the drafting of this Agreement, and, therefore, the terms and conditions of this Agreement are not intended to be, and shall not be, construed against any Party by virtue of draftsmanship.
- h. Severability. In the event that any provision of this Agreement (with the exception of the release provisions) is held by any court of competent jurisdiction to be illegal, invalid, void, voidable, unlawful, or unenforceable, the validity of the remaining provisions shall not be affected; and, the invalid provisions shall be reformed to the extent possible to be consistent with the other terms of this Agreement; and, if such provisions cannot be so reformed, they shall not be deemed to be a part of this Agreement. It is the intention of the Parties that if any term or provision of this Agreement is capable of two constructions, one of which would render the term or provision invalid and the other of which would render the term or provision valid, then the term or provision shall have the meaning that renders it valid.
- i. Governing Law. This Agreement shall in all respects be interpreted, enforced and governed by and under the laws of the State of New York, without regard to conflicts of law principles, except to the extent that the law of the United States governs any matter set forth herein, in which case such federal law shall govern.

- j. Continuing Jurisdiction. The Court shall retain jurisdiction over the interpretation and implementation of this Agreement as well as any and all matters arising out of, or related to, the interpretation or implementation of this Agreement and of the settlement contemplated thereby. In the event that the Court lacks or declines jurisdiction over any such matters, the Parties consent to the sole jurisdiction of the Supreme Court of the State of New York, County of New York.
- k. Waiver. No waiver, modification or amendment of the terms of this Agreement, whether purportedly made before or after the Court's approval of this Agreement, shall be valid or binding unless in writing, signed by or on behalf of all parties, and then only to the extent set forth in such written waiver, modification, or amendment, subject to any required Court approval. Any failure by any party to insist upon the strict performance by the other party of any of the provisions of this Agreement shall not be deemed a waiver of future performance of the same provisions or of any of the other provisions of this Agreement, and such party, notwithstanding such failure, shall have the right thereafter to insist upon the specific performance of any and all of the provisions of this Agreement.
- l. Signatures of Named Plaintiffs. This Agreement is valid and binding if signed by Defendants' authorized representative and by the Named Plaintiffs. The signatures of the Named Plaintiffs to this Agreement, as designated and authorized representatives of both the FLSA Opt-Ins and the Participating Class Members, shall act to bind such FLSA Opt-Ins and Participating Class Members to all of the terms and conditions of this Agreement.
- m. Facsimile and Email Signatures. This Agreement may be executed using facsimile signatures, and in counterparts, with the same effect as if the signatures were original and made on the same instrument. A copy of a Party's signature on this Agreement shall be acceptable in any action against that Party to enforce this Agreement. Facsimile or electronic copies of this Agreement shall be deemed for all purposes to have the same force and effect as the original hereof.

BASIC INFORMATION

1. Why did I get this notice?

The records of Accurate Mechanical Inc. show that you currently work, or previously worked, as a plumber or sprinkler mechanic for Accurate Mechanical Inc. This notice was sent to because you have a right to know about a proposed settlement of a class action lawsuit, and about all of your options, before the Court decides whether to approve the settlement. If the Court approves it and after objections and appeals are resolved, Accurate Mechanical Inc. will make the payments that the settlement allows.

This notice explains the lawsuit, the settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

Judge William H. Pauley of the United States District Court for the Southern District of New York is overseeing this class action settlement. The lawsuit is known as *Quow et al. v. Accurate Mechanical, Inc. et al.*, Civil Action No. 15 Civ. 9852 (WHP)(KHP).

2. What is this lawsuit about?

This lawsuit claimed that Accurate Mechanical Inc. failed to pay their employees legally-required overtime premiums for hours worked over forty (40) in a given workweek, and that they failed to provide proper wage notice and wage statements in violation of the Fair Labor Standards Act (“FLSA”), federal law, and New York State Labor Law (“NYLL”). Defendants have denied and continue to deny any liability or wrongdoing, and deny any and all liability and damages to anyone with respect to the alleged facts or causes of action asserted in the Lawsuit.

3. What is a class action?

In a class action lawsuit, one or more people called “Class Representatives,” (in this case Philip Quow and Clyde Reaves) sue on behalf of other people who have similar claims. The people together are a “Class” or “Class Members.” One Court resolves issues for all Class Members, except for those who exclude themselves from the Class. Judge William H. Pauley is in charge of this class action.

4. Why is there a settlement?

The Court did not decide in favor of Plaintiffs or Defendants. The Plaintiffs think they could have won if they went to trial. The Defendants think the Plaintiffs would not have won anything from a trial. But there was no trial. Instead, both sides agreed to a settlement. That way, both sides avoid the cost and risk of a trial, and the people affected will get compensation. The Class Representatives and their attorneys think the settlement is best for all Class Members.

WHO IS IN THE SETTLEMENT

To see if you will get money from this settlement, you first have to decide if you are a Class Member.

5. How do I know if I am part of the settlement?

The parties and Judge Pauley have decided that everyone who fits this description is a Class Member:

All current and former plumbers and sprinkler Mechanics who worked for Accurate Mechanical, Inc. or Accurate Mechanical, Inc. as plumbers at any time from December 17, 2009 through June 16, 2016.

Accurate Mechanical's records state that you are a Class Member. If you fit this description, do not opt-out of the settlement, and submit a valid claim form, you will receive a payment.

6. Are there exceptions to being included?

You are not a Class Member if you did not work for Accurate Mechanical Inc. as a plumber during the relevant time period. If a Class Member does not receive this Notice, he or she should contact Class Counsel at (212) 563-9884 to verify address and employment information.

7. I am still not sure if I am included?

If you are still not sure whether you are included, you can call Samuel & Stein at (212) 563-9884 for more information.

THE SETTLEMENT BENEFITS – WHAT YOU GET

8. What does the settlement provide?

Accurate Mechanical Inc. have agreed to provide a gross settlement payment of up to \$1,375,000.00, inclusive of attorneys' fees and costs, service awards and administration fees and costs, plus employment and other taxes, to all Class Members who do not opt-out of the settlement, based on their total estimated damages for work during the Class Period.

9. How much will my payment be?

Your payment will depend on your total estimated damages for unpaid overtime hours worked during the Class Period, based on defendants' records, as well as statutory

damages for defendants' failure to provide you with accurate wage notices and wage statements. The Court has approved this formula.

HOW YOU GET A PAYMENT

10. How can I get a payment?

To qualify for payment, you must not opt-out of the settlement and you must submit a valid claim form. The form you need to fill out is included with this Notice.

11. When would I get my payment?

The Court will hold a hearing on [insert date of fairness hearing] to decide whether to approve the settlement. If Judge Pauley approves the settlement after that, there may be appeals. It is always uncertain whether these appeals can be resolved, and resolving them can take time. Please be patient.

Once the appeals, if any, are resolved, the settlement will be paid by Defendant Accurate Mechanical Inc. to the claims administrator in 24 quarterly installments. The settlement checks will be mailed out or distributed to the Class Members by the claims administrator every six months within ten (10) days of receipt of the funds from Defendants.

Any funds not claimed by employees that remain in the settlement fund after the expiration of the check cashing period will revert to Defendants Accurate Mechanical Inc..

12. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself, you are staying in the class, and that means you cannot sue, continue to sue, or be part of any other lawsuit against Defendants about the legal issues in this case. It also means that all of the Court's orders will apply to you and legally bind you.

Specifically, unless you exclude yourself from the settlement, you will fully release Defendants Accurate Mechanical Inc., their owners, stockholders, predecessors, successors, assigns, agents, directors, officers, employees, representatives, attorneys, parents, subsidiaries, affiliates, benefits plans, plan fiduciaries, and /or administrators, and all persons acting by, through, under or in concern with any of them, and individual Defendants Daniel Reilly and John O'Shea, their heirs, family members, representatives, assigns and all persons acting by, through, under or in concern with them, from any and all claims asserted (or that could have been asserted) under federal, state or local law that arose any time between December 17, 2009 and June 16, 2016 that relate to or otherwise concern compensation, wages, overtime, or wage statements or notices, including, but not limited to, all such claims under the Fair Labor Standards Act, New

York Labor Law, and any other federal, state or local law or common law or equitable principles directly or indirectly relating to failure to compensate or pay wages, overtime wages, minimum wages, or spread-of-hours pay, failure to provide wage notices or statements, or failure to provide accurate tax reporting forms, liquidated damages, interest, penalties, and attorneys' fees and costs or expenses of any nature related to such claims for periods of time in which you worked for Accurate Mechanical Inc. as a plumber.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this settlement, but you want to keep the right to sue or continue to sue Defendants on your own, about the legal issues in this case, then you must take steps to get out. This is called excluding yourself – and is sometimes referred to as “opting out” of the settlement Class.

13. How do I get out of the settlement?

To exclude yourself from the settlement, you must mail a written, signed statement including your name, address, and telephone number(s) to the Settlement Administrator or to Samuel & Stein, 38 West 32nd Street, Suite 1110, New York, NY 10001 stating “I opt out of the Accurate Mechanical overtime wages settlement and I understand that I will not receive any money from the Settlement,” or words to that effect. The written opt-out statement must be postmarked no later than **[insert date 60 days from mailing this Notice]**. If you ask to be excluded, you will not get any settlement payment, and you cannot object to the settlement. You will not be legally bound by anything that happens in this lawsuit. You may be able to sue (or continue to sue) Defendants in the future.

14. If I do not exclude myself, can I sue Defendants for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendants for the claims this settlement resolves. If you have a pending lawsuit, speak to your lawyer in that case immediately. You must exclude yourself from this Class to continue your lawsuit. Remember, the exclusion deadline is **[insert date 60 days from mailing this Notice]**.

15. If I exclude myself, can I get money from this settlement?

No. If you exclude yourself, do not send in a claim form to ask for any money. But, you may sue, continue to sue, or be part of a different lawsuit against Defendants.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court has decided that the law firm of Samuel & Stein, 38 West 32nd Street, Suite 1110, New York, NY 10001 (212) 563-9884 is qualified to represent you and all Class Members. These lawyers are called Class Counsel. You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

17. How will the lawyers be paid?

Class counsel will ask the Court to approve payment of one third of the settlement amount – approximately \$450,000 – for attorneys' fees, plus reimbursement of expenses. Class counsel will also ask the Court to approve payment of up to \$3,500 to each of the Named Plaintiffs for their service as Class Representatives. The fees would pay Class Counsel for investigating the facts, litigating the case, and negotiating the settlement. The Court may award less than these amounts. Class Counsel will take their fees from the total settlement prior to your payment being sent to you; you will not have to make any additional payments.

OBJECTING TO THE SETTLEMENT

You can tell the Court you do not agree with the settlement or some part of it.

18. How do I tell the Court that I do not like the settlement?

If you are a Class Member, you can object to the settlement if you do not like any part of it. You can give reasons why you think the Court should not approve it. The Court will consider your views. To object, you must send a written statement including your name, address, and telephone number(s) to Class Counsel, Samuel & Stein, 38 West 32nd Street, Suite 1110, New York, NY 10001, or the Settlement Administrator, including all reasons for the objection. The written objection statement must be postmarked no later than [insert date **60 days from mailing this Notice**]. Any reasons not included in the statement will not be considered by the Court.

19. What is the difference between objecting and excluding?

Objecting is simply telling the Court that you do not like something about the settlement. You can object if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the settlement. You may attend and you may ask to speak, but you do not have to.

20. When and where will the Court decide whether to approve the settlement?

The Court will hold a Fairness Hearing at [insert time and date of fairness hearing], at the United States District Court for the Southern District of New York, 500 Pearl Street, New York, New York 10007. At this hearing the Court will consider whether the settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. Judge Pauley will listen to people who have asked to speak at the hearing. The Court may also decide how much to pay to Class Counsel. After the hearing, the Court will decide whether to approve the settlement. We do not know how long these decisions will take.

21. Do I have to come to the hearing?

No. Class Counsel will answer questions that Judge Pauley may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

22. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing, although you cannot speak at the hearing if you excluded yourself. In order to speak at the Fairness Hearing, you must submit a written objection before the deadline, as explained above in Paragraph 18.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you will not get money from this settlement. But, unless you exclude yourself, you will not be able to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against Accurate Mechanical about the legal issues in this case, ever again.

GETTING MORE INFORMATION

24. Are more details available?
